

## NEBOSH Environmental Certificate

The **NEBOSH Certificate in Environmental Management** provides a good overview of environmental management systems, including the relevant international standards and best practices for control of environmental hazards. It is suitable for:

- Managers, supervisors and employees who have a responsibility for managing environmental issues.
- Those looking to start a career in environmental management.

The **NEBOSH Environmental Certificate** is widely respected by employers worldwide; holders are eligible for:

- Technician Membership of CIWEM (**TechCIWEM**)

## Course Content

The **NEBOSH Environmental Certificate** is made up of two units:

### Unit EC1: Management and Control of Environmental Hazards

- Foundations in Environmental Management
- Environmental Management Systems
- Environmental Impact Assessments
- Control of Emissions to Air
- Control of Contamination of Water Sources
- Control of Waste and Land Use
- Sources and Use of Energy and Energy Efficiency
- Control of Environmental Noise
- Planning for and Dealing with Environmental Emergencies

### Unit EC2: Environmental Practical Application

- Practical assessment, undertaken in your workplace

## Assessment

Unit EC1 of the **NEBOSH Environmental Certificate** is assessed by a two-hour written examination. Unit EC2 is assessed by a workplace-based practical assessment (an environmental review of workplace).
